

L'Osmothèque—Preserving The Past
To Ensure The Future

4th May 2017, London

Let Versailles come to you!

IFRA UK is pleased to host a rare and exclusive opportunity to explore and enjoy the delights of the world's first international scent library under the expert guidance of perfumer Christophe Laudamiel from New York's Academy of Perfumery & Aromatics.

Christophe will take you on a historical scented flight into the artistic 21st century, showcasing fabulous archived scents from the Osmothèque and scents from Christophe's seven solo shows in New York and Berlin. These will include some from his most recent exhibition in NYC 'Over 21': scents designed to evoke complex and adult responses to topics of sex, addiction, taboos, and recreation.
